

И нформатика

Лекция №8. Тема: «Вспомогательное ПО в IT-мире.»

- Автоматизированное создание документации для программы
- Управление жизненным циклом дефектов ПО
- Управление жизненным циклом проекта и постановкой задач программистам
- Лицензии
- Автоматизированное тестирование
- Утилиты взаимодействия
- Телеконференции / вебинары
- ПО для виртуализации и контейнеризации

Далее рассматривается преимущественно ПО с открытым исходным кодом!

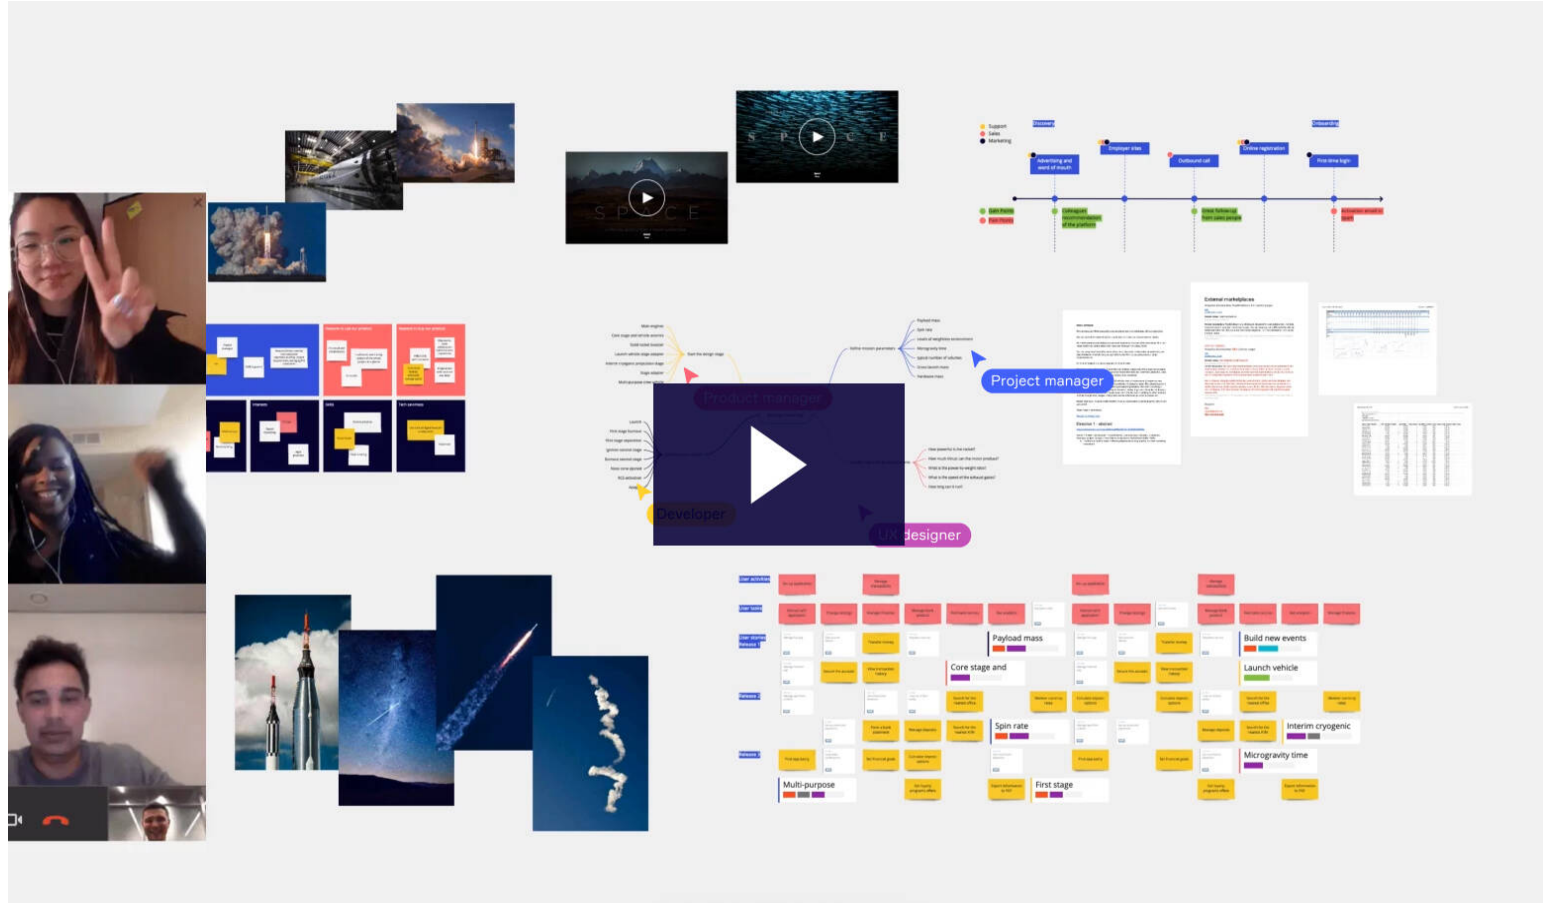

Slack:

- <https://slack.com/>
- Proprietary
- Последняя версия июль 2023
- 12 языков

The screenshot displays the Slack desktop application interface. The top bar includes navigation icons and a search bar labeled 'Search Acme Inc'. The left sidebar shows the 'Acme Inc' workspace with a list of channels: # announcements, # design-team, # social-media (selected), # help-desk, and # Sara Parras. The main area shows a conversation in the '#social-media' channel. Messages include a welcome message from Lisa Dawson, a response from Zoe Maxwell, a meeting announcement from the Acme Team, and a quick note from Harry Boone. The right sidebar shows the 'Details' panel for the '#social-media' channel, including a description, a list of members, and pinned items.

Miro:

- <https://miro.com/>
- Только английский
- Основана в 2011 году в России
- Используется в Skyscanner, Autodesk, Netflix, Twitter

Современные системы управления проектами/задачами (2)

Confluence

- <https://www.atlassian.com/software/confluence>
- Вики-движок на Java
- Первый релиз — 25 марта 2004 года
- Последний релиз — 8.5.2 (октябрь 2023)
- 12 языков, включая русский
- Распространяется под проприетарной лицензией, бесплатна для некоммерческих организаций и открытых проектов
- В настоящее время позиционируется как практически единственный корпоративный ДВИЖОК

The screenshot displays the Confluence web application interface. On the left is a sidebar with a navigation menu for the 'Exxtreme Travel' space, listing items like 'Product requirements', 'Retrospectives', 'Jira reports', and 'Troubleshooting articles'. The main content area shows a page titled 'Rock Climbing in Colorado'. At the top of this page, it says 'Created by Jennifer Evans' and 'Last updated: Nov 17, 2020 by Adarsh Sridhara'. Below the title is a table with the following data:

Offer	CORC101
Status	DRAFT
Team	@Alana Grant - PM @Mia - Marketing @Will - Web dev @Harvey - Localization Japan Marketing Team (@Eriko Asaoka (Unlicensed) @Nao Kameyama (Unlicensed) @Yusaku Nakaga (Unlicensed))
Project Ticket	ETO-1: Rock climbing in Colorado CURRENT

To the right of the table are two sidebars. The first, titled 'Goals', states: 'Exxtreme Travel will be the first to provide a rock climbing tour offering in Colorado's Front Range.' The second, titled 'Background and Strategic fit', states: 'Team rock climbing tours are very popular and successful for us. We have the opportunity to be the first to launch this offer in the region.' Below these are links for 'Requirements', 'Assumptions', and 'Similar and competitive offerings'. At the bottom of the page, there is a small image of a mountain peak.

Телеконференции/вебинары в работе программиста

Преимущества телеконференций: 1) позволяют наладить совместную работу программистов, географически удалённых друг от друга; 2) экономят средства на аренду специальных помещений для проведения конференций «вживую»; 3) позволяют демонстрировать собеседникам любые компьютерные артефакты с минимальными затратами.

The screenshot shows a Cisco WebEx meeting interface. The main window displays a presentation slide titled 'Solar power is the largest source of renewable energy'. The slide features a donut chart illustrating 'Yearly Energy Resources (TWhr)' with four concentric circles representing different energy sources: Biomass (innermost, dark green), Water (light green), Wind (yellow), and Solar (outermost, orange). A legend on the left lists the values for each: Biomass (142,635), Water (286,756), Wind (628,992), and Solar (751,296,000). A line points from the text 'Total absorbed by Earth per year' to the Solar segment of the chart. The Solar segment is also labeled 'Solar 3,850 (Z.Jyr)'. The StarBright logo is at the bottom right of the slide. On the right side of the WebEx window, there is a 'Participants' panel showing a grid of video feeds for several attendees: Daniel Scott, Heather Hanson (Host), Jonah Feldman, Nicole Castro, Charlie James, Karin Acosta, Liz Parker-Owen, and Rajiv Deeptha. At the bottom of the window, there are controls for 'Full Screen', '75%' zoom, 'View', 'Make Presenter', 'Audio', and a status bar showing 'Connected' and the Cisco logo.

StartMeetingSM
Share Better!SM

StartMeeting

- Created in 2011 as start up
- Free video recording
- Supported OS: Microsoft Windows
-

<http://www.startmeeting.com/>

The screenshot displays the StartMeeting web interface. The main content area shows a 'Sales by Categories' report with a pie chart. The data is as follows:

Category	Total Sold	Percentage
Shoes	3127.36	35%
Food	1344.04	15%
(no category)	2896.99	33%

Below the chart is a table with columns: Category Name, Total Sold, Cost/Item (RM), Sale/Item (RM), and Total Sales (RM). The interface also includes a 'SCREEN SHARE' button at the top, an 'Attendee List (638)' on the right, and a video feed of a woman at the bottom right. A 'LOCAL DIAL-IN' window is open at the bottom left, showing a list of countries and phone numbers. A 'DRAWING, MESSAGING & RECORDING TOOLS' window is open at the bottom right.

Support for 1,000 participants is indicated at the top right.

- Free up to 10 participants
- Supported OS: Microsoft Windows 7+, Macintosh
- <https://www.join.me>
- Part of LogMeIn – GoToMetting group
